GREETINGS

Another year has rolled around and we want to take this opportunity to thank our many friends and customers, both old and new, for the best season we have ever had. It surely is appreciated. To our prospective customers we wish to assure them that we will give their orders our personal attention and do everything within our power to see that they receive good value for their investment.

We fully realize that a satisfied customer is our best advertisement and would be pleased to hear from you.

BIRCHVILLE GARDENS

PLEASE READ CAREFULLY BEFORE ORDERING

We do not substitute unless instructed to do so. A second choice or next size preferred is advisable if your order is sent in late in the season.

No orders for less than \$2.00 will be accepted.

Where a variety is listed at 2 for 10 cents or 2 for 15 cents, please do not order a smaller number at a lower price. Five bulbs will be sold at one-half the price of ten, but no single item will be accepted for less than 10 cents. Where no 10 price is indicated, it may be found by multiplying the price of a single bulb by 8. Twenty-five bulbs of the same size and variety will be sold at 2 times the price of ten. One hundred of the same size and variety will be sold at 8 times the price of 10.

All retail orders prepaid to all points in the United States.

On cash orders of \$5.00 or more you can select 10% extra in bulbs of your own choosing.

This does not apply to collections, special offers, wholesale orders or 1945 introductions.

1945 INTRODUCTION

PIONEER (LA SALLE)

Was one of the two really outstanding seedlings at the 1944 Boston Show. It's a deep salmon pink, blending to a cream throat. The large 6 inch blooms are wide open on a 5½ ft. spike and opening 6 to 8 at a time. Always straight. Very vigorous plant with heavy wide foliage. It makes plenty of real large bulblets that germinate readily and makes exceptionally nice bulbs. Midseason.

Any size bulb: \$2.00 each. No bulblets for sale.

COVER GIRL (LA SALLE)

This seedling gave Pioneer the only real competition it had at Boston 1944 show and won the Massachusetts Horticultural Society First Class Certificate (their highest award). Color is a medium pink. It opens 10 to 12 blooms 5½ inches on a 30 inch flower head, and with good placement. Grows tall, 5½ ft. with heavy foliage. This is a fine propagator and a good grower. Will give some of the best plenty of stiff competition. Midseason.

Any size bulb: \$2.00. No bulblets for sale.

1944 INTRODUCTION

REVLON (MILO)

This is a seedling of Picardy X Commander Koehl and makes a tall spike of a beautiful vermilion red. This grows 55 to 60 inches tall, 20 buds with 7 open, 5 showing color, with 5 inch blooms. With good placement, a large basket shown at the Connecticut show was admired by all. One of the really good red. Due to the fact my stock is not too large, price will remain as last year.

\$3.00 for any size bulb. No bulblets for sale.
